This Week's Lessons

Reading

This week we will read three different expository selections and focus on topic, main idea, and supporting details. The students will complete worksheets and graphic organizers for each selection.

English

We have had a few interruptions with MAP testing, so we will finish the first grammar unit on Wednesday with the noun quiz on Thursday.

Math

We have Chapter 2 test on Tuesday. We will begin multiplying whole numbers and decimals. Students can practice math at home using ixl.com. They should know their username and password.

Social Studies

Mr. Stueve will work with the students for a few weeks in Science. So no Social Studies until then.

So, What's Happening?

Tests the Week

Tuesday: Math Chapter 2
Thursday: English Quiz
Friday: Spelling

Tests Next Week

Friday: Spelling

Projects Due

School Events

- RAiDERFEST---join us for a fun family get together on September 12 at 5:00. More information will be coming. Save the date.
- We will dismiss at 1:15 on September 15.
- Pep Rally September 16 at 12:35.
- Michelle Strube will present Too Good for Violence during PE and Music.

These are our class's awesome
Social Studies projects.
